REM

MADE IN BRITAIN

THE UK'S LEADING MANUFACTURER
OF SALON, SPA AND BARBER FURNITURE

DESIGNERS INFLUENCERS CREATORS

REM, with its origins dating back now for over 100 years are one of the few remaining manufacturers into the Salon, Spa and Barber industries.

Their manufacturing plant, located in the Heart of the Pennines in Nelson, Lancashire boasts State of the Art CNC Technology and a working staff of around 80 people. The factory also houses the largest REM Showroom in the World where customers can visit by appointment. Their exclusive designs and meticulous British workmanship offer customers all manner of furniture and fittings from Reception Desks to Wash Units and Salon Chairs and Spa Couches - their range is extensive...

All REM furniture is available to order in an array of 42 fabric and laminate finishes offering finesse and contemporary styling for your business needs.

REM's creative in-house Design Team can also help you get the best out of your workspace. Investment into the latest Cad and Visualisation packages enables the Designers to plan and create ergonomic environments producing 2D scaled plans and stunning photo-like visuals for customers like you in need of a little specialist help in the creation of their business.

This brochure will give an insight into the world of REM and what they have to offer you and your business. It will guide you through the process offering inspirational imagery, explaining the buying process and the features and options of each and every product including colour swatch selection and technical data.

Should you require further assistance, the REM Website (www.rem.co.uk) will further explain the REM product range and it's many features offering news, advice and enquiry opportunities along with the new REM Configurator which allows you to see your chosen products in any and all colours from the REM Swatch of 42 different fabrics and laminates - give it a try, you won't be disappointed...

REM ENVIRONMENTAL

Year on Year REM have continued to improve our Carbon Footprint and regularly challenge our Supplier base to work and supply in a manner focussed on reducing impact on the environment. With around 95% of our product range now sourced and manufactured in the UK we have strict control over the compliance of every component used in the manufacture of the REM product range. Even the production of this catalogue by Sterling Solutions includes the use of Forest Stewardship Council® (FSC®) certified paper (which is also carbon balanced via World Land Trust), using vegetable based inks via an FSC® and ISO 14001 certified UK printing company.

Investment in technology over recent years has helped us dramatically reduce waste in our manufacturing processes. The benefits of this new technology are not only leaner and more cost effective manufacturing, they also reduce the impact on landfill and levies brought in by the Government in April 2021.

Following the collective agreements made in the recent UN Climate Change Conference (COP26), we are committed to continuously improving to be more environmentally friendly. Co2 emissions are the next on our list with our new fleet of REM vehicles, due for delivery in February, all compliant to Euro 6 for low emissions.

Week by week our delivery routes are strategically planned to reduce mileage and minimise fuel consumption all helping in reducing our Carbon Footprint.

REM and its predecessors have been manufacturing a diverse range of Salon and Beauty furniture in the heart of Lancashire for over 100 years, and are extremely proud of their heritage. As the years rolled by, they found themselves developing the business into the Spa and Educational sectors - specialising in the completion of many prestigious spa's and training academies around the world. Its ethics as a British manufacturer are to employ a local labour force and to specify, where possible, UK componentry used in the production of its goods. The aim is and has always been to design, create and manufacture high quality products to a professional industry throughout both the UK and export markets.

Every product made is quality assured, following the guidelines set out in British Standards. These standards comply with current regulations including CE, WRAS and RoHS certifications. All products are manufactured under stringent Health and Safety policies, protecting both employees and end users.

HOW TO BUY

Buying REM products is a fun and exciting process, just follow these 5 simple steps!

1. CHOOSE A DISTRIBUTOR
Visit www.rem.co.uk to find an REM distributor near you, or contact our sales team by phone on **01282 619977** or by email at **sales@rem.co.uk**
Please Note – REM products are only available through one of our 600 worldwide distributors.

2. SELECT YOUR PRODUCT
You can find our products in this catalogue, on our website, or on one of our REM distributor's website.
As a trade manufacturer and supplier of Professional Hair & Beauty Furniture the prices shown in our catalogue excl VAT.

3. VISIT OUR SHOWROOM
At the REM Showroom you will find the worlds largest display of REM furniture. We have over 200 beautifully crafted furniture items for you to Try Before you Buy. You will receive a warm and friendly welcome from our expert Sales Team who offer advice, ideas and tips on creating a stunning Salon environment.

4. PERSONALISE YOUR CHOICE
Once you have chosen your products, you can choose from over 42 different colour options (displayed on pages 184 - 187). Once you have finalised your REM order, you will receive an accurate delivery date from your distributor.

5. DELIVERY*
Each product page specifies typical lead times for all products for delivery via designated carriers or the REM fleet of vehicles. A premium 2 man delivery is also available (POA).

Page 6 contains a number of items held in stock for any urgent needs and can be delivered within 14 days of your confirmed order.

Disposal of your old appliance.

The crossed-out wheeled bin symbol which you will find on the 'Rating Plate' attached to your product, or appearing in the Assembly/Operating Instructions, signifies an obligation by the purchaser or owner, to dispose of the equipment in accordance with the European Directive 2002/96/EC. This is a statutory instrument commonly known as the 'WEEE Regulations', which effectively requires you to carry out disposals of all Electrical and Electronic Equipment separately from your usual waste facilities. Specialist waste controls, designated by the Government (or Local Authorities) are to be made available to prevent potentially harmful substances affecting the environment and causing possible human and animal health risks.

More information is available from your local Environmental Health Office, Local Authority Waste Disposal Service, or the sales point from which the product was originally purchased.

REM Design

Using our industry expertise and creative flair, REM Design can help you plan your dream salon, offering advice on products, colours and layout to help you get the most out of your budget.

Whether your salon is large or small, and regardless of budget, we are always excited by the opportunity to create an environment that is stimulating, motivating and inspiring for your staff and clients.

With an extensive range of furniture to choose from, you can personalise your salon by using our REM Design service. The REM Design experience begins with one of our knowledgeable team members arranging to meet with you to discuss your project. During this visit, accurate site measurements will be taken before discussing your needs and preferences, and explaining the REM Design process - detailing styles, colours, quantities and potential layouts to help you realise your dream.

Once back in the office, our design team uses the measurements taken to create a set of bespoke scaled floor plans and 3D visuals to suit your brief. Our state-of-the-art, industry-leading CAD technology ensures that these visuals accurately represent both your salon and our design. We combine your vision with our expertise to deliver a range of inspired designs that will accurately represent your brand.

When your requirements include items not offered on our standard range, such as reception desks, seating or styling sections, we can design and build bespoke solutions to your exact specifications using REM Bespoke.

REM's extensive showroom in their factory, Nelson Lancashire is open to visitors 5 days a week (Mon-Fri) Appointments can be made to view the showroom by calling REM Reception on 01282 619977. Please note that REM deal solely through their UK distributorship and so no direct purchases can be made during your visit. However, REM will help and advise you on choosing the nearest distributor to your business.

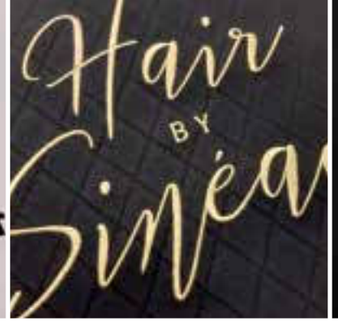

At REM, we understand that today's working environments have to be responsive to the changing needs of the contemporary workplace. With this in mind, the designs we offer are inspirational and tailor-made to reflect the image and reputation of your salon.

Salon

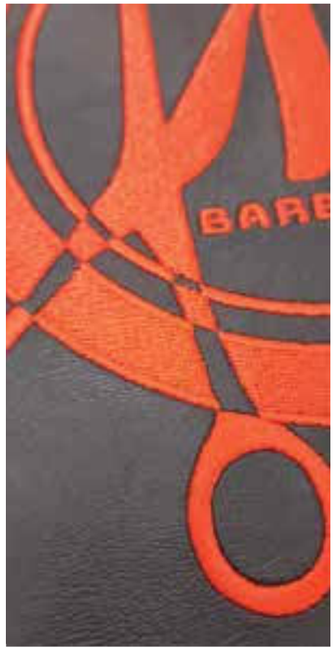

REM Brand

At REM we offer a customised brand embroidery service to complete the look of your salon and reinforce your brand in a stylish, professional manner. We can provide detailed brand embroidery on all oaf your styling chairs, barbers chairs and stools.

All we require is for you to send us a full colour JPEG with your logo, specify the desired size of the embroidery, and let us do the rest. Our embroidery team has a wealth of skill and experience, and can produce accurate, consistent results throughout your entire salon.

REM Commitment

REM has made every effort to ensure that the products presented in this catalogue are as the original. To provide the highest levels of product quality, we may occasionally alter the material specification of our products. Any such change will not significantly alter the look or functionality of the product. Dimensions quoted are accurate. However, if our products need to fit in particular spaces, ensure that you obtain precise measurements and discuss any queries with our technical staff. All products sold are subject to availability.
